## Come Explore Careers in Health Care

---

The Judy Travis Health Careers Camp is offered by JFK Muhlenberg Harold B. and Dorothy A. Snyder Schools of Nursing and Medical Imaging. The camp is offered at no charge and is funded by the Muhlenberg Foundation.

This is a unique one-week experience for high school juniors and seniors to explore their interests in a health care career. This week will be spent with the nursing and allied health faculty to examine the dynamic field of health care. Students will be introduced to the career options of nursing, sonography and radiology.

## Care to change the world....

---

Working with the school's faculty, students will enjoy an innovative classroom curriculum that covers a variety of health care topics. Topics explored will include; medical terminology, infection control, acute and chronic illness, alternative therapies and use of diagnostic equipment.

Hands-on-experience will be provided using simulation mannequins and use of ultrasound and radiography equipment. Students will have the opportunity to practice taking vital signs, listen to lung and bowel sounds, perform dressing changes and use ultrasound equipment in a simulation lab.

Students will tour various departments at JFK Medical Center and shadow nursing staff in a variety of settings, which include emergency room, pediatrics, maternity and medical surgical units.

## Application Requirements

---

- ❖ Students entering the 11th or 12 grade.
- ❖ Students in good academic standing with a C+ average or above.
- ❖ Letters of recommendation; one from a teacher and one from a guidance counselor.
